2. The Gyros will change direction automatice, if there is a force.

3. Removable and detachable parts for easy clean.

4. The particular broiling result is obtained by alternating heating and cooling down. The meat fibres do not harden, and the gravy is flavoured by the spices. This cooking mode results in very healthy meat.

5. The vertical grill allows broiling meat layers, shashlik, party sausages, poultry and fish with few attachments.

6. The Skewers and Gyros go in opposite direction so that the food could be heated more well.

Absolutely love this cooker. Best kitchen gadget Ive ever bought. Got it for my boyfriend, but I use it all the time. It makes delicous most chicken. Haven't used the kabob skewers yet. Its easy to use, easy to clean, and takes up no space to store it. Would highly recommend this product.
